1:00 p.m. Evaluations to be completed

This transitional continuing legal education course has been approved in accordance with the requirements of the Continuing Legal Education Board for a maximum of **42.5** credit hours, of which **9** credits are in the *Ethics and Professionalism* category, **13.5** credits in the *Professional Practice* category, **2.5** credits in the *Law Practice Management* category, and **17.5** hours in the *Skills* category*.

* A careful reading of this schedule will reveal more hours in the skills category than are reflected in the above total. Those additional skills hours are under the subheading of “trial advocacy” hours. Section 3 (D)(5) subsections (c) and (d) of the New York State CLE Board Regulations and Guidelines, imposes limits on the use of these hours toward the satisfaction of your CLE requirements. Accordingly, we will award these hours to faculty only. Doing so will have no practical effect on the CLE requirements of the students. The remaining number of hours awarded during this program exceeds the number required in any biennial period as well as the number that may be carried over into the next period.
