### QUEENS VIOLENCE PREVENTION PROJECT 2025

The Queens County District Attorney's Office (QDA) is requesting applications from qualified applicants to implement the Queens Violence Prevention (QVP) Project.

The work solicited for this program will advance QDA's mission to invest in innovative and impactful programs that create safer communities.

The goals and expected outcomes of funded proposals are to advance QDA's goals of improving public safety and promoting a fair and efficient criminal justice system, through planning and implementation of community-based violence prevention projects.
